I wonder if Julius is angry right now.

I don't think I'll make it in time...

This is bad.

Two weeks have passed since I became Julius' partner.

And we registered our entry into the Phoenix.

Julius and I have been doing nothing but train since then.
AFTER ALL, I DON'T EVEN KNOW THE RULES OF THE FESTA, LET ALONE THOSE FOR THE TAG TEAM MATCH.

PLUS, BECAUSE OF HER PERSONALITY, THIS WILL ALSO BE JULUS' FIRST TIME IN A TAG TEAM MATCH.

RUN RUN RUN

I HOPE WE CAN COME UP WITH SOME SORT OF STRATEGY.

OR I MIGHT ACTUALLY END UP GETTING BURNT TO A CRIS —
EH!? 

CRASH

GETTING UP
Hey! Are you alright? Are you hurt anywhere?!

I'm... fine...

Ah... no...

I was in a hurry so I wasn't paying attention.

Anyway, I'm really sorry.

TIGHTEN...!

I should be the one apologizing...

My uncle always scolds me for...

Not changing my habit of walking without a sound...
But instead moved in the exact same direction of each other, is the fact that both of us tried to move ourselves out of the way.

What's more, the reason why we crashed into each other...

That's right, I was in a hurry...

And maybe I wasn't paying enough attention...

But, even at that distance, I wasn't able to sense her presence at all...

If she was able to make such movements at that time...

Umm...
OH, HOLD ON.

AH, NO IT'S NOTHING.

Awaawawawa
